

KS1 have been creating their final fairground wheels in their design and technology lessons this past week. They have thought carefully in order to meet the design criteria. It needed to have a stable base, have pods for 8-10 people and have a wheel that turns on an axle. We are sure you will agree that they have done a fantastic job practising their cutting and joining skills.

Our Year 6 pupils had a magical experience visiting the Harry Potter Studios! From walking through the Great Hall to exploring Diagon Alley, the children were immersed in the world of wizardry. They were fascinated by the special effects, incredible sets, and behind-the-scenes secrets that brought the books and films to life. A highlight was seeing the Hogwarts Express up close! It was a truly spellbinding day, sparking creativity and curiosity in all.

Our KS2 Easter Service was a wonderful celebration of hope and new beginnings. The children beautifully retold the Easter story through readings, songs, and reflections, capturing the true meaning of the season. Their enthusiastic singing and thoughtful performances created a special atmosphere, reminding us all of the importance of kindness and renewal. Thank you to everyone who joined us and to the children for their hard work in making this a memorable and meaningful event!

As we wrap up another fantastic term, we want to say a huge thank you to our pupils and parents for their support, enthusiasm, and hard work. From exciting trips and performances to special celebrations like our Easter service, it has been a truly memorable few months.

We are so proud of everything the children have achieved and grateful for the kindness and encouragement from our school community. Wishing you all a restful and enjoyable break – we look forward to more learning and adventures next term!
