

In Key Stage One this week we have been finishing some of our foundation subject units. Our Art unit about colour mixing is coming to an end with a final piece inspired by Clarice Cliff. Penguin class have designed and painted their paper plates in the style of this famous ceramic artist. Our History this half term has been all about explorers and we have discovered lots of interesting facts about famous explorers such as Christopher Columbus and Ellen MacArthur. Finally, we have used the software Purple Mash to explore some Maths games. We have now finished all of the SATS tests that we are doing – a huge well done to all the children!

In Sting Ray, as part of the Science curriculum, we have been learning about the different parts of a flower, and what their function is. We found out how to dissect a flower and then labelled each part. It was fascinating!

Year 6s park trip and ice cream treats once the SATs were over!!

During the year, the School Council have worked really hard to raise funds to buy new benches for the field. After organising Christmas Carol Singing and an LVA Artist of the Year, they had enough funds to buy two new benches. The School Councillors will be painting our old benches after the half term break, which they are very excited about.
