

**KS1 have had a busy week. A BIG well done to the children who have completed their phonics test, we are looking forward to our park trip next week to celebrate the end of KS1 assessments. In maths, Penguin class went out to the car park to keep a tally of the colour of cars that went past in 10 minutes. In Seahorse class we are continuing our unit on time, looking at o'clock and half past times.**

**Our Year 6 pupils took part in a powerful Virtual Reality Road Safety workshop this week. Using immersive technology, children experienced real-life scenarios that helped reinforce vital road safety messages. The session focused on the importance of staying alert, making safe decisions, and being aware of potential dangers – especially as they prepare for greater independence on their journeys to and from school.**

**Thank you to all the parents and carers who joined us for our Upper Key Stage 2 Information Sessions. These events gave families a chance to find out more about the year ahead, including curriculum highlights, key dates, residential trips, and how we support pupils' learning and wellbeing. We loved sharing our plans and answering your questions – your support makes all the difference!**

**THE GREEN CROSS CODE**

A thorough knowledge of the Green Cross Code is vitally important to primary school children **over 7 years**:

1. First find a safe place to cross
2. Stop just before you get to the kerb
3. Look all around for traffic and listen
4. If traffic is coming, let it pass, look all around again and listen
5. When it is safe go straight across the road - do not run
6. Keep looking and listening for traffic while you cross
