This week, Key Stage 1 has been finishing this half term's Geography work all about the coastal areas of the UK. We have spotted physical features such as beaches and cliffs and human features such as amusements and shops. On Monday and Tuesday, we were all wishing we could actually be by the seaside enjoying a dip in the sea! On Monday morning, we really enjoyed a sneak preview of the KS2 performance of Alice in Wonderland too.

Last Thursday, KS2 had a fantastic morning at our LVA Careers Fair 2025. Clipboard in hand, the children had an opportunity to explore the stalls and ask questions to our various volunteers. We had even more volunteer speakers this year from a wide range of expertise including engineers, designers, the police and a marine scientist. The children came away both inspired and with a handful of goodies! Thank you to all our amazing volunteers for sharing their time and expert skills.
