We have had a busy week in KS1. We are starting to wrap up our units. Seahorse class loved looking to see how many potatoes we had grown over the last few weeks. In D&T we have been sewing butterflies as part of our final project, the children have done really well and produced some lovely pieces of work. In Science children have been creating food chains and learning about consumers and producers.

**In Sting Ray during Geography, we have been learning about deserts. We discussed locations, temperatures, and vegetation. Then We wrote postcards to people back home, as if we were on holiday in the desert. It was lots of fun!**
