

MEET OUR HEADS AND DEPUTY HEADS OF SCHOOL

W.C. 15.09.25 **RESPECT**

At Langford Village Academy, we believe that diversity is our strength. Whether it's differences in culture, language, abilities, beliefs, or backgrounds, every student brings something valuable to our community.

This week, we're highlighting the importance of respecting and celebrating what makes each of us unique. Here's how students can show respect for others' differences:

- Listen and learn – Ask questions with kindness and curiosity when you don't understand something.
- Be inclusive – Invite classmates with different interests or backgrounds to join in games, groups, or conversations.
- Speak up – If you see someone being treated unfairly because they're different, tell a teacher or trusted adult.
- Celebrate differences – Take time to learn about other cultures, holidays, and perspectives.

By showing respect and understanding, we help make our school a place where everyone feels safe, valued, and included.

Let's keep working together to build a community of kindness and acceptance – one smile, one word, and one action at a time.

KS1 have been working hard during their first week back to school. Our new year 1s have coped so well with the transition from foundation stage. In English we have started our new unit on 'Traditional Tales', focusing on The Three Little Pigs. In D&T we were practicing balancing to find the most stable object. In Topic we have been looking at what children's school day would have been like in the past. A brilliant start to the new school year!

We are delighted to have the LKS2 children back in school and we have got lots in store to look forward to over the coming weeks and months.

In Maths, the autumn timetable for Year 3 and 4 begins by revising and strengthening the children's understanding of number and place value, where we explore numbers up to 1,000 in Year 3 and up to 10,000 in Year 4. After which the children will move on to their addition and subtraction unit which draws heavily on their understanding of place value.

We are also very much looking forward to our Stone Age, Bronze Age, Iron Age History unit where the children will investigate how prehistoric people lived. We are very much looking forward to seeing the children in their costumes.

The children really enjoyed cheering the cyclists who whizzed by our school on last Thursday's Milton Keynes to Amptill leg of the Lloyds Tour of Britain cycle race.'
