Learning · Values · Achievement

In Science this week we had two very special visitors in the way of a pet pony and pet dog. We learnt from their families how they take care of their animals and really enjoyed the opportunity to meet them up close. In English, we have finished writing our stories based on the book 'On the Way Home' by Jilly Murphy. The children really enjoyed creating their own versions of the story and sharing them with the class. We have also started our spooky poetry unit, where we have been exploring rhyming words and mixing up magical potions to write lists. In maths, year 1 have started addition and have been using concrete materials to help them find fact families up to 10. Year 2 have been adding 3 one digit numbers as well as adding to the next 10.

Gratitude, Respect, Empathy, Acceptance, Teamwork

Y6 Maths:

Our value of the week was teamwork, and Year 6 have really shown what that means during their maths lessons! We've been tackling long division – a tricky topic that requires focus, patience and plenty of encouragement. It's been fantastic to see pupils working together to solve problems, explain their methods, and support one another when things get challenging. By sharing ideas and checking each other's work, the class has shown that learning is easier (and more fun!) when we work as a team.

Pokémon Card Club:

In Pokémon Card Club this week, we played a Battle Academy! Pupils learned how to set up their decks, take turns, and use strategy to battle against each other. It was great to see everyone showing patience, fairness and good sportsmanship – cheering each other on and helping new players learn the rules.

The club has been full of fun, teamwork, and plenty of exciting battles!

Teamwork on Our Residential:

This week's value of teamwork couldn't have been demonstrated more brilliantly than during our Year 6 residential! From the moment we arrived, pupils supported one another through every challenge – whether it was helping to carry bags, encouraging friends to tackle the climbing wall, or working together to complete tricky team-building activities.
