The children in Year 6 had an amazing time at the Young Voices concert at the O2. This event is always a memorable experience for our children as they showcase their talent and hard work alongside other schools in a grand musical performance. It enables students to come together to perform a fantastic array of songs in front of a live audience. This event will not only allow them to express their creativity but also to build their confidence and team spirit. Their mission is to ignite a love for music, empower children to discover their voices, and build their confidence.
