

Science Week 2026 – A Fantastic Week of Discovery!

This week our students have been celebrating British Science Week 2026 with a packed programme of hands-on experiments, problem-solving challenges and inspiring scientific exploration. Teachers were particularly impressed by the curiosity and creativity on display—from imaginative hypotheses to thoughtful reflections on how science shapes the world around us.

We had Mrs Chambers from Henlow Academy in and Joel from Sublime Science in to share experiments and enthusiasm.
