21.10.21	Early Years
3.30-5.50pm	Parents ' Evening
22.10.21	Break Up
02.11.21	Children return

This week KS1 classes have enjoyed their first introductory visits to the library, the fun run activities in PE and there has even been a few friendly, furry (or scaly) visitors to each class. As the weather is getting cooler, could we remind you that all children will need a warm coat for school on a daily basis. We endeavour to keep some windows open even in the cooler days so would encourage the children to wrap up warm!

Turtle Class had some furry visitors yesterday.

The children have all enjoyed the fun run this week, completing the course and jumping over some hurdles! We will let the children know which class and PE house completed the most laps next week. Please send in any sponsorship money collected by **Monday 11th October**.

Jellyfish class have enjoyed exploring their new classrooms and outside areas as they settle into school. They have painted Jellyfish and self-portraits, made handprints, learnt about Harvest, joined in mini keep fit sessions after snack time and learnt to sing the Hungry Hungry song. This week they have also enjoyed taking part in the School Fun Run.
