07.12.21	Seahorse Class Christmas Assembly
08.12.21	Turtle Class Christmas Assembly
09.12.21	Jellyfish Christmas Performance pm
10.12.21	Jellyfish Christmas Performance pm
15.12.21	Christmas Dinner Day

KS1 have had a great first week back at school after half term. On Wednesday each class went for walk to spot signs of autumn: berries, seeds, colourful leaves, conkers and more! Turtle Class was lucky enough to see a heron, pair of swans and even a kite circling high above the playing field. Everyone enjoyed the exercise and the crisp autumn air!

LKS2 had their 'Wow Day' on Thursday to introduce their new topic – rainforests. The children came to school dressed in bright colours to represent the rainforest and enjoyed a morning of sampling produce from there including pineapple, dark chocolate and coffee. This was followed by the children learning about the different layers of the rainforest and the animals that live within these layers. The children sketched their favourite animals and used watercolours to paint them.

This week in Foundation Stage we have started our new topic 'Festivals.' We have learnt about Diwali and made our own divas, as well as talking about bonfire night and creating our own firework pictures. We also found time to look at the signs of Autumn and have a play in the Autumn leaves on our field!
