17.12.21	Break Up
05.01.22	Children return

Year 5 sporting the latest in wacky hair design, raising money for Children In Need.

We raised £260 for Children in Need. Thank you for your support!

KS1 and KS2 classes have visited the mobile planetarium today and thoroughly enjoyed the experience. What a fun way to learn about our planet, the moon and the solar system! Thank you to Mark Rutherford School and particularly to Mr Betts for lending us the equipment.

"Orca and Dolphin have been exploring marvellous magnets in Science. We have used our scientific knowledge to discover the forces that are present in using magnets and compared their strengths. We have pushed, pulled and spun our magnets with a view to how they behave towards one another. We have determined which materials are attracted to magnets and have put two magnets together to watch as the poles repel one another. We have expanded our scientific language. We are marvellous magnetic scientists!"

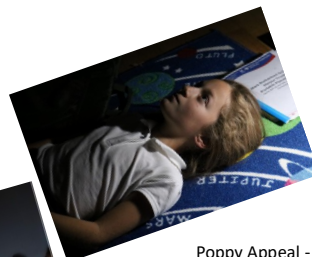

KS1 have continued to rehearse for the Christmas assemblies and we are all enjoying the festive feel in the classes. We are planning to go ahead with the assemblies as planned, but will now perform our songs outside, so please remember to wrap up warm on the day.

Reminder of the dates:

Penguin Class Monday 6th December at 2.30 (Maximum of two adults/child)

Seahorse Class Tuesday 7th December at 2.30 (Maximum of two adults/child)

Turtle Class Wednesday 8th December at 2.30 (Maximum of two adults/child)

Poppy Appeal -

We raised £262.07

Thank you for your support!
