17.12.2 1	Break Up
05.01.2 2	Children return

Thank You !

Huge thanks to our kitchen staff for going above and beyond to provide lunches for our children over the last few weeks! Hot dinners will be available next week!

### Readathon results!

Thank you SO much to the 14 families and 20 children who took part in our Readathon. To date, £427 has been raised which will go to support new books and storytellers for sick children in hospital. The school will also receive approximately £85 in vouchers to spend on new books for the school. Once all the money has finally be totalled, and sponsor cards received, I will be awarding some prizes to the most 'avid' readers and a certificate and bookmark for all who took part. Thank you once again!

Joy Mead (English Lead)

KS1 had a special visit from a policeman this week, to share some internet safety tips with the children. He shared a virtual story about 'Smartie the Penguin' and his first experience of having a tablet. There were scenarios throughout the story that led to discussions about what to do if an add pops up, or if a stranger sends you a message etc. It was very informative for the children, and they really enjoyed following

It has turned very festive at Langford Village Academy! Children throughout the school enjoyed decorating our tree. Foundation Stage had a wonderful time on their Christmas craft day. They made Christmas puddings, wooden spoon Father Christmas's and paperchain snowmen!
