12.05.22	Class Photos
16.05.22	Happy Bags Collection
27.05.22	Break Up
07.06.22	Children Back

Welcome Back!

We are pleased to welcome all of our children back to school and wish you all a Happy New Year! We had a low number of COVID 19 cases in the Autumn Term but we are now starting to get some positive cases in each class. To manage the situation we continue to have good hygiene, ventilate classrooms and social distance as much as possible. We have also minimised mixing between classes as much as possible. We are advising you of any cases and much appreciate you testing children before they return to school. This ensures the number of cases is kept to a minimum.

We have delayed starting some of our clubs this term but will advise you once the COVID situation improves.

After feedback from a recent questionnaire, we have put together our Home Learning Grids already sent out, to enable you to support your child at home. Additional work at home really enhances children's education.

Please come and see me about any concerns you have and if you would like updates about how your child is progressing, make an appointment to see your child's Class Teacher. Don't feel you have to wait until parents evening.

Have a good weekend and enjoy the sunshine!

Debbie Randall

Principal
