

## Spring-Term 28th January 2022 Our Value of the month is Determination

### Diary Dates

11.02.22	End of Term
21.02.22	Children return
22.02.22	Happy Bags Collection
14.03.22	Parents Evening
16.03.22	Parents Evening
18.03.22	Red Nose Day
01.04.22	Break Up
19.04.22	Children back
12.05.22	Class Photos
16.05.22	Happy Bags Collection
27.05.22	Break Up
07.06.22	Children Back

KS1 have enjoyed their walk around the school looking for different types of materials for their science topic. Seahorse class have been busy making a collage of Leaf the polar bear from our English story. We have also been busy making a poster all about climate change and what we can do to help stop it.

### Diaries and Digestion!

Dolphin and Orca classes have really enjoyed writing diaries in the style used in the book, 'The Diary of the Killer Cat'. The teachers have enjoyed reading some humorous lines written by the children, such as, *'Today it was what the humans call, my birthday'*, and *'alright, alright, so I chewed your slipper, but I am a puppy.'*

The children have also thoroughly enjoyed their science lessons on, 'Animals, including Humans', taught by Miss Estall. The favourite was probably exploring the digestive system through crushing food in a bag (stomach) and pushing it through some tights (intestines) before exiting through a cup as waste matter!

The children really enjoyed using the marbling inks to make Earth and our Moon this week. We have also started to make paper mache planets. We thought carefully about the size of each planet.

Take part in Big Garden Bird Watch.....
