24.06.22	Dolphin Cake Stall
01.07.22	Otter Cake Stall
08.07.22	Orca Cake Stall
15.07.22	Seahorse Cake Stall

### Bye-bye baby chicks

We have had a fan-tas-tic fortnight with the eight baby chicks.

This week the children have had more chances to observe the chicks and to consider the ways the chicks have changed since they first hatched just over a week ago. Turtle Class have weighed the chicks daily and we noticed that heaviest male chick has doubled its birthweight in a week! The hatchings weighed approximately 40g each but today the heaviest male chick weighed a whopping 85g!

We have had plenty of chances for 'cuddles' and the Turtle Class children have even sang the chicks to sleep with some soft lullabies. This has been a wonderful learning experience for the children and hopefully one they will remember and treasure.

Unfortunately the chicks are now getting way too big for their brooding box, so the time has come for them to move on.

Our chicks will be rehoused with a kind local farmer, who runs a free-range farm in Langford. As they will remain local to us, we are hoping to walk over to see the chicks, once they have matured into fully grown hens and cockerels.

Jellyfish class have been looking at the Life Cycle of a Frog this week. They have also enjoyed colour mixing using blue and yellow paint, to finger paint frogs. Like the rest of the school they have also enjoyed visiting the chicks each day, and on Tuesday they were able to stroke them.

### Special Award for the Week

Layla T, Ivy C, Samuel H-C, Isla W,  
Owen R, Ethan W, Alyce M, Zara S

### Class Attendance

Turtle Class—99%

Red Cross for Ukraine—thank you for your support. We raised £256.80
