

Times Tables at LVA

MARCH 2022

Multiplication tables are important building blocks in the children's learning of Maths. Secure and quick recall of times tables facts allows children to confidently tackle problems requiring multiplication and division as they progress through the school. Multiplication skills and facts are important outside of school, at home and in the workplace.

Year Group	Multiplication and Division Facts
1	Count in multiples of 2,5 and 10 Solve one-step problems involving multiplication by calculating the answer using concrete objects, pictorial representations and arrays
2	Recall and use multiplication and division facts for 2, 5 and 10 multiplication tables, including recognising odd and even numbers
3	Recall and use multiplication and division facts for the 3,4 and 8 multiplication tables
4	Recall and use multiplication and division facts for multiplication tables up to 12 x 12
5	Recall and use multiplication and division facts for multiplication tables up to 12 x 12 Identify multiples and factors
6	Recall and use multiplication and division facts for multiplication tables up to 12 x 12 Identify common factors, common multiples and prime numbers
