01.07.22	Otter Cake Stall
08.07.22	Orca Cake Stall
15.07.22	Seahorse Cake Stall

KS1 have enjoyed learning the skills to create a mosaic. They have used these skills to help create a mosaic that will be displayed at the front of the school for the Jubilee.

KS1 have been studying *The Gigantic Turnip* in their English lessons. Seahorse class performed their role play of the farmers and animals pulling up the turnip on Wednesday.

This week has been a busy one in UKS2! In maths we have continued to move on with our shape work looking at angles and properties of shapes. Ask your children about acute, obtuse and reflex angles. See if they can make any of these with doors at home!

In English, the children have enjoyed working through the story of Beowulf. This week we turned our classrooms into the Mead-Hall to celebrate the return of the Heroic Beowulf! The children put themselves into characters, using their imagination, and made patriotic speeches about how excited they were to have him back!

The year 5 children were also involved with helping with the whole school mosaic. They all enjoyed having a go and leaving their mark on a piece of school history! A big thank you to Emily who worked with the children to explain the mosaic and the art work.

Special Award for the Week

Scarlett K, Layton Mc, Quinn G, Ellis G, Logan C, Vinny P, Otter Class, Fletcher C

Class Attendance

Seahorse Class—100%
