24.06.22	Dolphin Cake Stall
01.07.22	Otter Cake Stall
08.07.22	Orca Cake Stall
15.07.22	Seahorse Cake Stall

The Year 2 children have worked hard on their assessment tasks this week and we are very proud of them! We have also been planting sunflower seeds and will be observing and completing growth diaries over the next few weeks.

Jellyfish Class have had fun reading captions and simple sentences, then finding the picture to match their reading. Thank you for your continued support at home with hearing your child read and practising the digraphs such as /ai/ /sh/ and trigraphs /air/ /igh/. We are working really hard to get the children to recognise these sounds straight away in their reading.

Forest School - Orca Class

Orca Class have begun their Forest School Adventure. This week the children worked in teams to make a trail around the whole of Forest School for their friends to follow. The children demonstrated their spatial awareness, language to describe a route: forward, left, right, straight on, turn and excellent communication skills. Now the weather is warmer, the children may wear shorts and a t-shirt under their waterproof clothing as long as they keep their waterproofs on. What is important is that their legs and arms are covered when in Forest School to protect their skin from the brambles and nettles.

Special Award for the Week
