### Penguin Class

We have had a fantastic start to the new school year in Penguin class! The children have settled well and adapted to new routines and friendships within the class.

We are currently thinking about Friendship in Penguin class, in particular being proud and celebrating our friends' achievements using our 'proud cloud' on our class board.

It was lovely to get to know our classes in a more relaxed manner during our WOW day where we introduced our topic 'Changes in living Memory' to the children.

The children thoroughly enjoyed our WOW day (as did the KS1 Staff!). We kicked off the day with a catwalk to show off their wonderful attire for the day. Then the children had a go at tie dying and learnt about its rise in popularity in the 1970s. They had lots of fun designing different outfits from the 60s, 70s and 80s and then turning them into a game to mix match the outfits! The children learnt all about toys from the past with Mrs Mellor's mother in law who kindly came in to the school with some precious belongings to share and that was only the morning filled!

In the afternoon we all had a boogie to 'Mamma Mia' choreographed and taught by Sophie from Christina Marks school of dance. We also tried some delicious Angel delight and Spam and compared the adverts and packaging today to in previous years.

As always, please ensure you are reading and practising spelling with your children at home on a regular basis. We would also like ask if any parents would be willing to spare half an hour in the morning to listen to readers.

If you have any questions or queries please contact your class teacher.  
Thank you for your continued support.
