19.10.18	Break up for half term
30.10.18	Children return

Starfish Class

Starfish class have settled into life at Langford Village Academy exceptionally well!

The children have been exploring all the exciting resources and equipment we have including our new train and trim trail which I'm sure you've seen! Thank you to the PTA for their contributions towards them.

In class we have been thinking about what it takes to be a good friend and making up our class rules. We have also been talking about what makes us special and looking at how we are unique.

On Friday 2nd November Jellyfish class and Starfish class we be holding our cake stall. We ask that parents contribute cakes to be sold after school on this day (bring them to school with you on the morning of 2.11.18). The finds raised will go towards new small world resources in the classrooms.
