Jellyfish and Starfish Classes enjoyed their visit to our dinosaur museum as part of our WOW day celebrations.

The children started by handling various fossils and then moving around our interactive activities. They made dinosaur skeletons using large tubes, carefully excavated soil using paintbrushes to discover different dinosaur fossils that they had to match to the dinosaur they though had made it. They also made their own fossil using clay and shells.

Seahorse class has been busy creating their Starry Night paintings, which I think you will agree look beautiful! We finished our Topic unit with a visit from a nurse. The children got to ask lots of questions and find out exactly what it means to be a nurse. They absolutely loved having a go at taking blood pressure readings. Well done for all of your hard work this half term KS1, we are all so proud of you. We wish you all a fun and restful break.

Following on from last week's amazing talent shows, we saw the turn of KS2 this week. Once again, we were blown away and so very proud of all the children that took part. Talents included dancing, singing, comedy, rapping, karate, piano and ukulele playing and even animation! We had a core group of youngsters who took on and ran the whole show as judges, refreshment sellers, comperes and stage hands. The audience vote produced winners, Logan and Owen for their hilarious comedy routine, Maddie for her outstanding dancing and Buddy for his cool rapping. Thank you to all the staff for their help and to all the parent supporters. The School Council managed to raise £122.43 for their chosen charities, Cancer Research UK, The Trussell Trust, Diabetes UK and the RSPCA, thanks to your generous donations.

Please can we remind parents that the school car park is for staff only. Thank you.
