Jellyfish Class and Starfish Class enjoyed their Chinese New Year celebrations last week and investigated the Chinese artefacts we had to show. For a special snack we had prawn crackers, vegetable spring rolls with a sweet and sour sauce to dip into. The prawn crackers were very popular. We retold the story of how the years were named after 12 different animals with masks the children had made. Here are the Chinese lanterns and rabbit fans the children made by folding paper.

This week in KS1 we have been reading and writing lots of poetry about the moon. The children have produced some amazingly creative work and presented it beautifully – very well done! Next week, we will be writing about our favourite bedtime toys – so don't forget to send your child in with one special soft toy on Monday. They will be well looked after! We are coming to the end of our History topic about famous nurses and we hope to meet a modern-day nurse this week to ask questions about what has changed and what might still be the same.

Les animaux...en francais!

This half term, Dolphin, Orca and Sea Lion classes have been learning the names of animals in French. They can also follow instructions in French, such as 'levez-vous', 'ecrivez-cela', and 'touchez' la tete. Ask your children to show you what these mean!

Langford's Got Talent

This week the School Council hosted two talent shows for FS and KS1 and what a wonderful time was had by all. We had the most amazingly talented children performing singing, dancing, gymnastics, martial arts and magic shows! As well as being super talented, all the children were so brave to stand up in front of an audience. Thank you to all the helpers, who stood in as judges, refreshment sellers, comperes, stage hands and all round supporters. The audience vote produced two winners, Thomas for his karate display and Renae for her magic show. We look forward to seeing what KS2 can do next Tuesday and Wednesday.
