17-03-23	Red Nose Day - dress in red.
03-04-23	Half term
18-04-23	Children return to school

EYFS

In foundation stage this week we have been reading "The little Red Hen"

She very kindly sent us some bread and we all enjoyed trying all the different varieties.

Each class also made their own bread dough and each child got to make their own bread roll. (A big thank you to Mr and Mrs Goodall who donated a "Kitty's Kit" bread making kit for each class.)

KS1

KS1 have been very busy this week. We are coming to the end of our English unit, The Lucky Dip, finishing it off with some recounts as the characters from the story. We have been designing clay pots in Art ready to be made at the end of the unit. We have also been planting beans in Science and will be keeping a bean diary, documenting how they are growing. Well done for all of your hard work this week KS1.

KS2

Year 6 have been working really hard, writing formal letters of complaint to the Post Office about all the mail being delivered to a Mr H. Potter and creating character profiles of Hagrid, a rather large teacher at Hogwarts! The children have given careful consideration to the layout of both pieces and had to use appropriate features, such as: bullet points, captions, sub-headings and labels.

KS2

Manta Ray are currently deep into learning all about fractions! We have looked at changing mixed numbers to improper fractions and vice versa, comparing fractions by converting the denominators and ordering mixed numbers and improper fractions. In Science, we investigated which electrical conductors made a bulb shine brighter and in PE, we tried out orienteering by creating our own maps with grid references. We have also written our own adventure stories based on The Lion, The Witch and The Wardrobe. We had evil crabs, a man made of rocks, a lady made of ice and a rainforest! They were very exciting!

Caught Reading Competition

Starfish - Isla	Jellyfish - Sophie	Seahorse - Harrison
Penguin - Harry	Turtle - Joshua	Sea lion - Francesca
