School Assembly

I am sure by now that you have already heard, we had the wonderful Davina and her Drama club students hold an assembly for us this week. It was wonderful to see what the children had been practising during their sessions and they all did such a fantastic job performing Matilda.

EYFS

This week in both Jellyfish and Starfish Class, we have been learning about the life cycle of a frog and a duck. The children have explored colour mixing to make green for frogs and used our water colours to paint pictures of ducks.

Please can the children bring in one hard boiled egg on Thursday 30th March for our traditional egg rolling?

KS1

This week, KS1 are busy making their clay pots ready for their bean plants to come home. Next week, we will be painting the pots and placing the bean inside. In Topic, we have learned about Amelia Earhart and her adventures flying across the Atlantic. The children have enjoyed getting immersed in World atlases to locate continents and oceans – if you have one at home or use Google maps, they might enjoy looking at home.

KS2

Manta Ray had a very interesting PE lesson this morning! Firstly we had to answer times table questions using only our bodies – can you work out which number we are showing in the picture? Then we were tasked with cutting a single piece of paper so that it fit three people inside! There were a few incorrect attempts but we all persevered and got there in the end. Wonderful teamwork Manta Ray!

Please can we remind parents that the school car park is for staff only. Thank you.
