05-07-23	Year 4 leave for Grafham
07-07-23	Step-up Day for leavers
07-07-23	Return from Grafham
12-07-23	Paradise Wildlife Park Years 1 - 6

In KS1 during our design and technology lessons, the children have been exploring the most effective way to join two pieces of fabric, in preparation for making their final piece – a hand puppet. They trialled using staples, glue and safety pins, and chose their favourite method to use for the final product. We are also extremely excited to share that our caterpillars are now chrysalides, and the children are eagerly awaiting their emergence.

This week, LKS2 have been coming up with their own experiments to investigate evaporation as part of their 'states of matter' science unit. Over the last few days, some of the children have been monitoring the changes in water levels in two beakers – one in a sunny position outside and another in a shady position inside. Another group have added some very watery paint to paper and again placed it under different conditions to see which factors speed up (or slow down!)

evaporation. The children have written up their experiment, including their own conclusions from the results. We certainly have a few budding scientists at LVA!

# LANGFORD VILLAGE ACADEMY

Learning • Values • Achievement

*Please can we remind you to be mindful and respectful of our neighbours when parking during school drop off and collection.*

## After school clubs and times:

Football - Tuesdays 3.30-4.30

Dance - Tuesdays 3.20-4.20pm
