In Foundation Stage we enjoyed a whole week of celebrations for the Coronation. Here is a little glimpse of some of the activities we arranged: a special street party for the whole school, decorating a coronation biscuit and building some of the famous monuments we may see in London.

This time last week, in KS1, we were all having a fabulous time celebrating the coronation of King Charles III! We enjoyed a whole school lunch wearing our beautiful crowns and then we spent the afternoon decorating cakes for our afternoon treat and making union jack windmills.

This week, Year 2 children have been working very hard completing statutory assessments. They have all been brilliant – well done Year 2!  
We have also continued to observe our caterpillars as they grow and can't wait for the next stage in their development.

The Year 6s have had a very busy time this week as the first Langford cohort to do their KS2 SATs. We started each day off with a delicious breakfast, organised by Mrs Siswick and Mrs Devereux. They have acquitted themselves very well and shown great effort and patience. We are proud of their attitude and efforts. Well done Year 6!  
In the afternoons they have been doing more relaxing activities, producing some lovely Street Art.

Please can we remind you to be mindful and respectful of our neighbours when parking during school drop off and collection.
