This week in KS1 Maths lessons, we have been learning all about position and direction. We have been practising using the relevant language to describe movements, including clockwise and anti-clockwise and we have even been doing the Cha Cha Slide as a warm up to remember our left and right! On Wednesday we went outside and pretended to be robots. Our partners gave us instructions to move between different points in straight lines – it was a lot of fun!

We have begun a new Science and Geography topic, all about amazing animals and where they live. We have been able to group the animals in different ways, according to what they eat. Our Art this half term is also animal themed – we are busy making collages from a range of materials.

Year 5

Manta Ray have had fun finishing off their Anglo-Saxon topic by designing and making Anglo-Saxon artefacts out of clay. We have swords, brooches, drinking cups and arrow heads! We will be painting them with lots of beautiful colours when they are dried – stay tuned for pictures!

Year 6 have now started their weekly swimming lessons.

Thank you for your happy bag donations. You helped raise £69.20!

Please remember to apply sun cream and send your child in with a hat and a water bottle. Thank you.

Please can we remind you to be mindful and respectful of our neighbours when parking during school drop off and collection.
