We would like to say how proud we were of Jellyfish and Starfish Classes on Wednesday at the Harvest Festival Service in the church. The children behaved really well in a totally new environment and performed our 'Harvest Time is Here Again' poem fantastically in front of a huge audience. We have been learning about our senses this week and the church provides a great setting to learn about sound and the food contributions definitely gave us something to look at in church and in our classrooms.

KS1 were all fantastic at the Harvest service, and worked incredibly hard to learn the songs, prayer and poem. We are all very proud of them!

Also, this week in KS1, the children have been continuing to make their felt maps and have begun making maps in a stained-glass window effect - using a poly wallet and tissue paper to create this.

In science, the children have thoroughly enjoyed putting their knowledge of animal groups and what they need into practise by inventing their own animal. In Penguin class the children were able to state whether their animal was a mammal, reptile, amphibian, bird or fish and ensure that their animal had the correct features to belong to this category. There were some fantastic inventions!

We invited some special guests along to our Awards Assembly last Friday, to help us celebrate something new and exciting. We are please to introduce you to our new Head of School students, Samuel A and Owen R. Congratulations boys!

Please can we remind you to be mindful and respectful of our neighbours when parking during school drop off and collection.
