We have been very busy investigating what we can see on our faces and painting them. We have had our first turn on the trim trail to explore how we can move in different ways. School dinners have been enjoyed by everyone who has had them, especially the chicken nuggets and fish fingers today. The children have done really well in their first full week and are feeling a little tired.

Despite the showery weather, Seahorse class thoroughly enjoyed their first Forest School session on Monday. Mrs Beazley reminded children about the rules and routines, played listening games and explored all the areas of Forest School using a map.

Jeans for Genes—Thank you all for taking part in Jeans for Genes day. You all looked fantastic and helped raise **£178.69** which helps to make a difference for children affected by genetic conditions.

Please can we remind you to be mindful and respectful of our neighbours when parking during school drop off and collection.
