

Song lyrics for KS1 Nativity - Busy, Busy Bethlehem.

### **Song 1:**

Come on down to Bethlehem,

It's a busy town.

Lots of people end to end,

Everybody's down there,

In the town there,

Busy, busy Bethlehem!

Everybody's down there,

In the town there,

Busy, busy Bethlehem!

Come on down and join the crowds,

It's a busy day.

Lots of voices very loud,

Everybody's down there,

In the town there,

Busy, busy Bethlehem!

Come on down and feel the buzz,

Come and join the fun.

Camels kicking up the dust,

Everybody's down there,

In the town there,

Busy, busy Bethlehem!

Come on down to Bethlehem,

It's a busy town.

Lots of people end to end,

Everybody's down there,

In the town there,

Busy, busy Bethlehem!

## **Song 2:**

Line up, line up form a queue,  
One, two, three, four, you and you  
The little soldier's here to supervise,  
So come on, let's get organised!  
Hurry, hurry, don't waste time,  
Five, six, seven, eight, in a straight line.  
The little soldier's here to supervise,  
So come on, let's get organised!

Come along, don't take all day,  
Nine, ten, eleven, twelve, go that way.  
The little soldier's here to supervise,  
So come on, let's get organised!

Line up, line up form a queue,  
One, two, three, four, you and you  
The little soldier's here to supervise,  
So come on, let's get organised!

Oh, I can't be cross, I can't be cross

I just can't be cross.

Oh, I can't be cross, I can't be cross

I just can't be cross.

Was it when they smiled at me?

It's got me in a spin you see.

Oh, I can't be cross, I can't be cross

I just can't be cross.

Oh, I just can't think, I just can't think,

Now I just can't think.

Oh, I just can't think, I just can't think,

Now I just can't think.

Was it when they spoke to me?

It's got be in a spin you see.

Oh, I just can't think, I just can't think,

Now I just can't think.

Over Bethlehem

Shining, shining, shining

### **Song 5:**

Did you see some shepherds in  
Bethlehem,

Running down the street?

Did you see some shepherds in  
Bethlehem?

They said, 'Look at light, what a  
wonderful sight!

That's where the baby must be!

*Repeat*

Did you see some kings in Bethlehem,

Riding down the street?

Did you see some kings in  
Bethlehem?

They said, 'Look at light, what a  
wonderful sight!

That's where the baby must be!

*Repeat*

An angel appeared in the sky

Spreading her wings, spreading her  
wings

An angel appeared in the sky,  
spreading her wings

She spoke in a beautiful voice

Loudly and clear, loudly and clear

She spoke in a beautiful voice, loudly  
and clear

She told all the shepherds below

Jesus is born, Jesus is born

She told all the shepherds below,  
Jesus is born

An angel appeared in the sky

Spreading her wings, spreading her  
wings

An angel appeared in the sky,  
spreading her wings

### **Song 6:**

Sleeping there quietly,  
Tiny as a babe could be,  
Making everybody smile,  
Lying there, in the hay,  
Little child.

Lying there, peacefully,  
What a lovely sight to see,  
Making everybody smile  
Lying there, in the hay,  
Little child.

Dreaming of the sweetest things,  
Hearing all the angels sing,  
Making everybody smile  
Lying there, in the hay,  
Little child.

### **Song 7:**

Long, long ago in Bethlehem

On a starlit night

Long ago in Bethlehem

When the sky was bright

A baby boy was born

A baby boy was born

A baby boy was born on a starlit  
night.

Wise men came to praise the child,

And the angels too,

Wise men came to praise the child,

Everybody knew

A baby boy was born

A baby boy was born

A baby boy was born on a starlit  
night.

Long, long ago in Bethlehem

On a starlit night

Long ago in Bethlehem

When the sky was bright

A baby boy was born

A baby boy was born

A baby boy was born on a starlit  
night.
