The Foundation Stage children had a fantastic time taking part in the school's tough mudder fund raising event. We had great fun working our way through the tyres and hoops, the tunnels and jumping over the hurdles. We could use some of the skills we have been learning in P.E.

On Wednesday, KS1 took part in a fun 'Tough Mudder' in our school field. We all had a great time and gained house points for each lap. We didn't even get too muddy!

We have started a new Geography topic, looking at interesting places in England and around the world. If you have an atlas at home, a globe or can access maps online, this will all help with our developing knowledge of the world.

The children in LKS2 have been thoroughly enjoying their art topic this term. This week, they all had great fun, working together to complete a group piece of art using different printing techniques. Here are some of their results!

Please can we remind you to be mindful and respectful of our neighbours when parking during school drop off and collection.
