All of Foundation Stage enjoyed their Christmas Craft Day and we really appreciate the time that the children's family members gave to come and help us. We put the decorations up after school yesterday, so the children came into our very festive looking classrooms.

The KS1 children are enjoying our English unit surrounding Paddington Bear and have written some wonderful recounts from the perspective of our marmalade loving bear. Our Nativity rehearsals are well under way, and we are already extremely proud of how the children are doing. We have some wonderful actors and actresses in our cohort.

We have been learning about structures and how to make them stable and strong enough for their purpose. They had a trial run of creating a chair for baby bear this week. Penguin class had lots of fun seeing if their chairs were strong enough to hold our Penguin teddy.

Manta Ray have been learning about fractions by playing battleships! Fun had by all.

Diabetes Awareness Day

On Thursday we held our Diabetes awareness day and we all wore an item of blue clothing or a blue accessory.

Maddie very kindly helped lead an assembly to help all at LVA understand and be more aware about Diabetes.

With your help we raised a fantastic amount of £106.50 for JDRF (Juvenile diabetes research foundation)

Thank you!
