This week, KS1 welcomed a firefighter into school to talk about what the job is like and what equipment is used. We could then compare this to how fires were dealt with in 1666 during the Great Fire of London – things have certainly improved! We will soon be constructing our own Tudor houses from cardboard boxes to create a London street.

This week in LKS2 we have continued our History learning, the children have produced some excellent work for their Learning Logs, and we have been inundated with Roman facts - we particularly enjoyed hearing about the Tortoise formation that Roman soldiers used and we have been stunned by some of the children's Roman shield creations.

Today, students from Years 5 and 6 represented Langford Village academy at a wellbeing conference at Samuel Whitbread Academy. They joined many other schools there to participate in a number of activities and also had the opportunity to meet with our wellbeing expert Will George.

In Year 6, we identified the different phases of the Battle of Britain; compared the different strengths of the RAF and Luftwaffe and tried to understand what the aircrew must have been feeling with the aim of determining who 'won' The Battle of Britain

Please can we remind you to be mindful and respectful of our neighbours when parking during school drop off and collection.
