The kitchen staff have been busy this week, preparing some homemade Valentines day cakes for the children.

This week in Key Stage 1 we have been very busy finishing lots of projects! We added the final touches to our Tudor Houses and they looked fantastic. On Tuesday we had a pancake flipping competition which was great fun.

We have also finished off our Science unit on Materials and their properties by carrying out an investigation to find out which material soaks up the most water – we tried six different materials and one soaked up a lot more water than the others!

We hope you have a fun and restful half term.

CAMPFIRE BREAD—Dolphin Class have been extremely lucky to be the first KS2 class to experience our new challenge in Forest School; making and cooking bread on a fire. All children were very excited and learnt a lot of key life skills.

In Year 6, we have designed and developed a steady hand game using a series circuit, including housing and backboard. To help us with this, the children needed to understand what is meant by *fit for purpose design* and *form follows function*.

We are extremely proud to announce that every child in Otter Class (Y6) has completed their values postcard. This is testament to how hard they have worked this year. We would like to give a special shout out to Samuel who has amassed 18 House Points this term. Well done, Samuel!
