At Langford Village Academy, we are GREAT because we focus on these values:

Gratitude, Respect, Empathy, Acceptance, Teamwork

Please can we remind you that the school car park is for staff only and should not be used for pickup from clubs. Thank you.

This week KS1 have finished off their D&T project – Moving mechanisms. Penguin class created their own linkages to make the chick or bunny disappear behind the egg. Seahorse and Turtle class have practiced creating pivots for their Easter cards. All three classes also had a wonderful time celebrating science week – the hoop gliders in particular were a real hit! Lastly, thank you to all of you for showing your continued support and attending our church service. It was wonderful to see so many of you there. Have a wonderful Easter break!

In Y6, to celebrate the end the term we had our very own little picnic whilst watching Harry Potter and the Philosopher's Stone. The whole school visited St Andrew's Church for the Easter service and made us very proud by reading poems, singing songs and celebrating the life of Christ. In the spirit of Easter, pupils also took part in Easter Egg hunts and celebrated our learning with extended educational clips, linked to our topics of course.

Last week, all classes across the key stages took part in Science Week. On behalf of the pupils, I would like to say a big thank you to all the staff who helped organise this and make all these fun events happen, especially Mrs Bowskill who led on this. In addition to classifying objects (leaves) and doing some fun experiments, we also had our very own Planetarium where we found out some amazing facts about the moon. Did you know that without the moon, we would not have tides or seasons?

In Y2 & 6 this week, we have been completing our Mock SATs. Miss Burley and Mr Gotham are excited with how well all the pupils have done. They have all made amazing progress and attainment. We appreciate it has not been the easiest of weeks but we are so proud of all the pupils and the effort they have put in.

We have recognised and celebrated those pupils with 100% attendance since September. We had 23 pupils across EYFS, KS1 and KS2!

Please can we remind you to be mindful and respectful of our neighbours when parking during school drop off and collection.
