18.01.23	Year 6 residential trip
23.01.23	Year 5 & 6 Young Voices
05.07.23	Year 4 residential trip

In Jellyfish and Starfish we have been busy learning more about Percy the Park Keeper and his animals. The children have painted pictures of the animals using watercolours. All of the children have been on a shape hunt in the school's outside area. We found lots of squares, triangles, circles and rectangles.

KS1 have had a busy week. Seahorse class have been on a shape hunt around the school. We found lots of circles around the school and even a pentagon in the playground! We have been designing our Christmas cookies and how we will decorate them. Penguin class have been exploring shadows in their Science lesson and had lots of fun experimenting making them. Well done for all of your hard work this week KS1.

Turtle Class have been studying weather this week and have had fun making wind socks to test out in the playground.

This week in Dolphin, Orca and Sea Lion, We have been learning about our muscles in science and in particular our biceps and triceps. We know they work as a pair, contracting and relaxing to allow us to bend our arms. We had fun measuring our contracted biceps and finding out whose was the largest!

We have used the knowledge we gained on our history walk to create a chronological timeline of the history of Langford. Did you know Pound Close is on the site of the old Pound used for stray dogs as far back as 1900? Or that the Ivy Leaf Club was first built in 1921. Next week we will be finding out what life in Langford school was like back in history!

LANGFORD VILLAGE ACADEMY

Learning • Values • Achievement

Please can we remind parents that the school car park is for staff only. Thank you.

After school clubs and times:

PE club KS1 - Mondays 3.30-4.30pm

Dance - Tuesdays 3.20-4.10pm
