*Please can we remind you to be mindful and respectful of our neighbours when parking during school drop off and collection. Residents from Manor Farm Road have been finding it difficult and sometimes dangerous to leave and access their properties on some occasions.*

Jellyfish and Starfish Class have explored the art work of Italian painter Giuseppe Arcimboldo this week. We looked at the set of face pictures named after the four seasons that he painted. We then used a variety of fruit and vegetables and Autumn objects to make our own faces and the children then used the tablets to take a photograph of their art work.

Penguin Class celebrated World Mental Health day on Monday with lots of discussion, before making our very own worry dolls to go under our pillows and help to take our worries away. The activity was enjoyed by all.

#### Dolphin, Orca and Sea Lion Classes

We have had another very busy week enjoying our learning. Each class has been working in pairs to design and make a 3D model of the journey a river makes. Under a 'sea' of card, tissue paper, glue and paint some fantastic models have been created! The children will label their models with the main features of a river and we are looking forward to our river walk next week when we will see the river Ivel in its 'middle course'. We have also been learning a 'thanksgiving' song for our Harvest Service on Monday. We are really looking forward to going over to the Church to celebrate the abundance of food we are privileged to have and to give to those less fortunate than ourselves. Thank you so much, in advance, for the gifts you will be sending in with your children.

Please can we remind parents that the school car park is for staff only. Thank you.
