*Please can we remind you to be mindful and respectful of our neighbours when parking during school drop off and collection. Residents from Manor Farm Road have been finding it difficult and sometimes dangerous to leave and access their properties on some occasions.*

\* Today is the last day to order your photos for free delivery to the school \*

KS1 have been busy learning all about their five senses in science. We went for a walk around the field to explore what we could see, smell, hear and touch but unfortunately not taste. We also enjoyed our KS1 visit to the church at the start of the week to celebrate Harvest Festival and give thanks for the lovely food we have. Turtle class performed a lovely poem. Seahorse class have enjoyed forest school this half term, making medals and ending it with a yummy hot chocolate treat! Well done to all of KS1 for all of their hard work and settling into their new classes so well! We hope you all have a restful half term

On Wednesday morning, Dolphin, Orca and Sea Lion classes enjoyed a fantastic walk along the river Ivel. We all enjoyed seeing the wildlife (heron, kingfisher, ducks, swans, cows and more!) and the plant life along the river. We saw for ourselves the huge area of floodplain in the meadow and common land and saw the river flowing gently through its middle course. Naturally, the most exciting part was stopping for a snack and drink!

Back in school, we turned our 'messy' maps into neat maps in which the children drew symbols and created a key for the features of the river we had spotted.

Please can we remind parents that the school car park is for staff only. Thank you.

In Starfish and Jellyfish Class we have been learning about Diwali, The Festival of Light. We have listened to the story Dipal's Diwali and made our own divas by folding paper. We have thought about all the different colours that you can see in a flame.

For your information.
