18.01.23	Year 6 residential trip
23.01.23	Year 5 & 6 Young Voices
05.07.23	Year 4 residential trip

In English, LKS2 are now focussing on non-fiction texts. Looking at the different ways in which facts and information are presented, and how non-fiction books are organised.

Our Mathematics focus has now shifted from Number and Place Value to addition and subtraction. Children will review their number bonds and crossing 10 skills in this unit.

In Topic we are continuing with our investigation into Rivers, learning how rivers begin and how they end, and we will be looking forward to our River walk in a few weeks' time.

During Science we are learning about light and shadow, conducting experiments to show the effects of UV rays and using our chrome books to research facts on the sun.

We have had another very busy week in Foundation Stage with our fun run on Wednesday morning. The children proved to have lots of energy and were very excited by their run around the course set on the large playground. The children all did an amazing 6 laps around the course. We have been continuing to think about our bodies and what they can do. Jellyfish have begun their Forest School lessons today and Starfish Class will have their turn after half term.

LANGFORD VILLAGE ACADEMY

Learning • Values • Achievement

For your information.

After school clubs and times:

PE club KS1 - Mondays 3.30-4.30pm

Dance - Tuesdays 3.20-4.10pm
