the next generation?**

Careers Fair

Langford Village Academy

Thursday 27th June

9.30-10.30

We are looking for a variety of people to come and speak to our children about your experiences of your jobs. If you think you might be able to take part, please email

Kbowskill@bestacademies.org.uk

You might be retired or have had a range of careers but your story could help one of our children.

Thank you!
