Pupils in KS1 have been practising their cricket skills in PE. Children have learnt to roll a ball and throw underarm and overarm. They then developed their skills to throw with accuracy at a target including a wicket. Howzat!

Dolphin, Orca and Sea Lion classes are enjoying learning about 'Roots, Shoots and so much more!' this half term. We have all planted sweet pea plants and are excited to see how well they are growing. The children will bring them home at half-term to plant in their gardens. We have learned what the function of the parts of plants are and this week we have found out which parts of a plant we eat. Who knew that a pepper is a fruit or broccoli is a flower!

Some of the children's artwork is now in the waiting room of Langford Surgery. We have had some lovely feedback from patients and staff.

On behalf of the Y6 team, we want to congratulate the Y6 pupils on their wonderful achievements over the past year: they have worked so hard and we are all so proud of them. This has been a testing week but the Y6s have tried their very best and no one could have asked for more. They are truly amazing!

Please can we remind you to be mindful and respectful of our neighbours when parking during school drop off and collection.
