KS1 have been expanding their D&T skills this week and have been learning how to juice lemons, limes and oranges. They have also practiced their chopping skills before sampling everything to decide what ingredients to use for their smoothies next week. On Tuesday afternoon, the children completed an inter house competition and all ran 50metres. All of our children showed fantastic sportsmanship and cheered each other on for this, which was wonderful to see. We look forward to sharing some of our sports day pictures with you next week.

Our Year 6 students took an enchanting trip to the Harry Potter Studios, where they delved into the magical world of the beloved book and film series. The excitement was palpable as the students embarked on this magical journey. The trip was not only fun but also educational. It gave the students insight into filmmaking, the importance of creativity and imagination, and the hard work behind bringing stories to life on screen.

Overall, I think it is safe to say, the Year 6 trip to Harry Potter Studios was a spellbinding success, leaving everyone with a sense of wonder and a little bit of magic in their hearts.

May Day Fayre

Huge thanks to everyone that attended the May Day Fayre. The money raised will be well spent on our new school library.

Thanks to all your support, we raised

a huge £1750

from this year's May Fayre for the new school library!
