KS1 this week have been finishing their D&T unit by making delicious fruit smoothies. Throughout the unit they have learnt how to identify fruits, how to juice and prepare fruits safely and have tasted them all, too. Here are some pictures of Penguin Class enjoying their smoothies. They were delicious.

Here are some pictures from our Year 4's trip to Queens Park, Bedford. They had an amazing time and the children were praised for their lovely behaviour and attitude throughout the day.

**LKS2 have been studying the flower part of their science unit 'Flowers, Fruits and Seeds'. This week the children have carefully studied flowers using magnifying glasses, before making annotated drawings of the flower, and labelling the reproductive parts. We seem to have quite a few botanical illustrators in the making!**

A big thank you to all the children for putting on their performances this week, also to the staff for their hard work behind the scenes.

Please can we remind you to be mindful and respectful of our neighbours when parking during school drop off and collection.
